STC's Acting for Film & TV Course is an eight-week intensive course for actors (16 years old and over) who wish to excel in auditioning and performing in front of the camera. The focus will be on how to personalise the scripted character, and to fuse your experiences and imagination into a unique technique to give naturalistic and memorable performances every time. Course work will involve in-depth work on monologues, duologues and presentations to camera. Tutor Jon-Claire Lee is an award winning film director, has featured in numerous TV series and feature films, and has taught acting for over 30 years.
